# Elite Roll-Away Retractable Screen

Innovative screens for modern Australian living

- 5 Designed for french, bi-fold, and stacking doors, windows, and difficult to screen openings.
- 5 Featuring the unique patented Freedom Brake System™, allowing you to stop the screen at any point along the track.

1300 SCREEN

## Engineered to last

Backed by a limited five year warranty, Freedom Retractable Screens' Elite product line is made to endure the most testing weather conditions over the long-term.

The patented auto-locking brake, unique to Freedom Screens, allows you to fix the screen in any position along its track. The brake also protects against damage, preventing the screen from springing back into its' housing, ensuring a long life.

## Available in a variety of finishes

The durable frame is available in the full Dulux Powder Coat colour range. The colour options available ensure an ideal match against your existing timber or aluminium frame.

# 1300 SCREEN<sup>6</sup>

## Attractive solution for all locations

The retractable screens come custom built to suit any unique setting.

Innovative design makes the retractable screen ideal for a variety of applications, including use with french, bi-fold, and stacking doors also with servery, double-hung, and casement windows, and any difficult to screen openings.
